

ACCESSORIES FOR BMW C 400 GT

STORAGE

SMALL TOPCASE, 30 L

This waterproof plastic topcase with the BMW badge offers enough space for a helmet with its volume of 30 litres. The lid, which is available in Granite grey metallic matt and Racing red, and the soft-close hinges, which allow the lid to be lowered gently, underline the high-quality impression.

Only available in conjunction with the luggage carrier and topcase carrier.
For information on speed and load limitations, please refer to the operating instructions.
For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com.

1 Small topcase, 30 l, Granite grey metallic matt

2 Small topcase, 30 l, Racing red

BACKREST PAD FOR SMALL TOPCASE

Thanks to the comfortable backrest pad for the small topcase, the passenger can enjoy improved comfort both on short trips and on long tours.

LIGHT TOPCASE, 29 L

With a volume of 29 litres, the light topcase offers enough space for a helmet and convinces in everyday life as well as on short tours. The black plastic topcase is lockable, has a large reflector on the rear side and a BMW badge on the lid. The maximum payload is 3 kg.

Only available in conjunction with luggage carrier.
For information on speed and load limitations, please refer to the operating instructions.

LINER FOR LIGHT TOPCASE (29 L) AND TOPCASE (30 L)

The matching tailored liner for the topcase gets the luggage organised and facilitates loading and unloading. The carry handle and shoulder strap make the bag easy to access and transport. Practical details include the external patch pocket and the three-sided all-round zip.

LUGGAGE CARRIER

The sturdy, stylish luggage carrier is ideal for reliably securing the topcase or other large items of luggage. In addition, it serves as a convenient handle for the passenger and is also ideal for using as a pushing aid when manoeuvring.

For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com.
To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership.

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer.

ERGONOMICS & COMFORT

HIGH WINDSCREEN

The scratch-resistant BMW Motorrad high windscreen is higher than the standard windscreen and offers maximum wind and weather protection for rider and passenger. Its aerodynamically optimised shape reduces air turbulence and riding noise to a minimum, even at high speeds. Optimum wind protection for long journeys.

LOW SEAT

15 mm lower than the standard version, this low seat makes climbing on off easier and keeps the ground within easy reach. Many riders feel safer thanks to the reduced seat height, because they can manoeuvre and control their motorcycle more easily. The high-quality surface material in black corresponds to the standard equipment.

Low seat
Seat height: 760 mm; step length: 1,730 mm

SCOOTER CANOPY

Always stay nice and clean. And dry. The waterproof BMW Motorrad Scooter leg cover reliably protects the legs and lower body from water, wind and dirt while riding. Thanks to the patented anti-flutter system, the protective hood also closely fits the Scooter and leg at high speeds. Thus it is fun accelerating even when it rains.

HEATED GRIPS AND SWITCHES (NOT SHOWN)

Warm hands feel good, with heated grips that come with two settings.

For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com. To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership.

NAVIGATION & COMMUNICATION

BMW MOTORRAD NAVIGATOR VI

With the multifunctional Navigator VI, route planning becomes child's play. The system with 16GB flash memory and a five-inch touch screen always shows the right way, and the waterproof display is easy to read even in direct sunlight. The high-resolution screen provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes can be created according to your personal preferences and enjoy driving on winding and quiet side roads. In unknown terrain, the "round trip" option is a good choice as it reliably guides the rider at the end of the tour back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Operation is via the stable Mount Cradle; the four buttons can also be accurately controlled while wearing gloves. Choose the pre-installed map data, and you will always be up to date thanks to lifelong, free map updates.

BMW Motorrad navigation devices and the BMW Motorrad smartphone cradle can only be mounted using the BMW Motorrad navigation device bracket. For more detailed information, contact your authorised BMW Motorrad Retailer or go online at bmw-motorrad.com. Only in combination with bracket for navigation systems. Please note the specifications for different countries.

BMW MOTORRAD SMARTPHONE CRADLE

BMW Motorrad's robust Smartphone Cradle provides a safe and protected place for your smartphone. This means that useful functions such as navigation instructions and online information can also be used while you are on the move. Thanks to the handy charging function, your smartphone is always ready for action even on extended bike tours.

Only in combination with bracket for BMW Motorrad navigation devices.

BRACKET FOR BMW MOTORRAD NAVIGATION DEVICES

The functional bracket for the navigation systems and the smartphone cradle from BMW Motorrad is securely attached to the handlebar clamp. This ensures that it can be positioned in the rider's direct field of vision. In addition, the bracket complements perfectly the cockpit area.

Original BMW Motorrad accessories are available from your authorised BMW Motorrad Retailer.

SAFETY

ANTI-THEFT ALARM RETROFIT SET (NOT SHOWN)

Strong protection from theft: If the motorcycle is moved or struck violently, the anti-theft alarm system responds with a clearly audible signal and a flashing warning light. The acoustic and optical warning will draw the attention of passers-by quickly. The alarm system is activated automatically when the ignition is switched off.

Note the differences in national-market versions.
To be fitted and/or enabled in a specialist workshop,
ideally at your authorised BMW Motorrad Retailer.

PROTECTIVE GLASS FOR 6.5-INCH TFT DISPLAY

The protective glass reliably protects the 6.5-inch TFT display from dirt, flying stones and damage. The hardened glass has an anti-glare and anti-reflective surface, so that the TFT display can be read easily. With BMW Motorrad inscription.

MAINTENANCE & TECHNOLOGY

COVER

Snug and waterproof yet breathable, this cover protects your maxi-scooter from rain, dirt and more. Made of tear-resistant, UV-resistant material.
